SATURDAY EVENING, MARCH 17, 1900.

Mausers and Lee-Enfields, The chief distinction between the Mauser and the Lee-Enfield is thisthat while the Lee-Enfield has a magasine which is inserted underneath the body through the trigger guard and secured by a catch and is provided with what is called a "cut off" to prevent the cartridges from rising, so that it can be used as a simple breechloader for single firing until the magazine, which contains ten cartridges, is ordered to be used, the Mauser has a mage zine which, though not absolutely fixed, is only intended to be taken off for cleaning. It does not need a "cut off" to use as a single loader.

The magazine contains five car tridges, but whereas the cartridges for the Lee-Enfield have, when the magazine is charged, to be each put in separately, the magazine of the Mauser is filled at once by placing against the face of the magazine a set of five cartridges held in a clip which falls off when the cartridges have been inserted in the magazine.

ginning of a fight empty, the Mauser would permit of more rapid fire be-cause it could be loaded five cartridges

#### QUESTION ANSWERED.

Yes, August Flower still has the largest sale of any medicine in the civi-lized world Your mothers and grand-mothers never thought of using anything else for Indigestion or Bilious ness. Doctors were scarce, and they seldom heard of Appendictis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and s op fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and had with beadaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by Ernest L. Allen, Claud M. Lennon, Warfield & Hall, Charles G. Lennon, W. F. Creighton & Co., and Richard

What to do Until the Doctor Arrives It is very hard to stand july by and see our dear ones suffer while awaiting the arrival of the doctor. An Albany (N. Y.) dairyman called at a drug store there for a doctor to come and see his child, then very sick with croup. Not finding the doctor in, he left word for him to come at once on his return. He also bought a bottle of Chamberlain's Cough Remedy, which he hoped would give some relief until the doctor should arrive. In a few hours he returned, saying the doctor need not come, as the child was much better. The druggist. Mr. Otto Scholz, says the family has since recommend d Chamberlain's Cough Remedy to their neighbors and friends until he has a constant demand for it from that part of the country. For sale by all druggists.
